2011 Notes:					
*Schools other than SBHS are not reporting ACT scores					
**MHUSD will report scores upon transition to new software program					
Questions and Data Trends:					
*The #s and %s of Cal-SOAP students taking the SAT continue to increase and are higher than the %s of general students taking the SAT.					
**Non-Cal-SOAP students are generally earning higher SAT scores than CS students.					
***ACT scores (SBHS) are generally higher than SAT scores.					
*Does taking the ACT improve college-going rates?					
**What can Cal-SOAP do to help students improve their SAT scores?
