

# South County Cal-SOAP Southern California College Tour

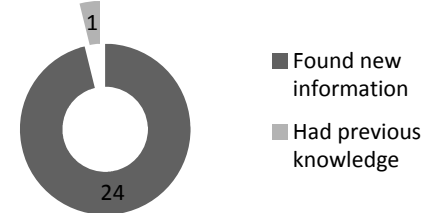

## Campus Tour Efficiency

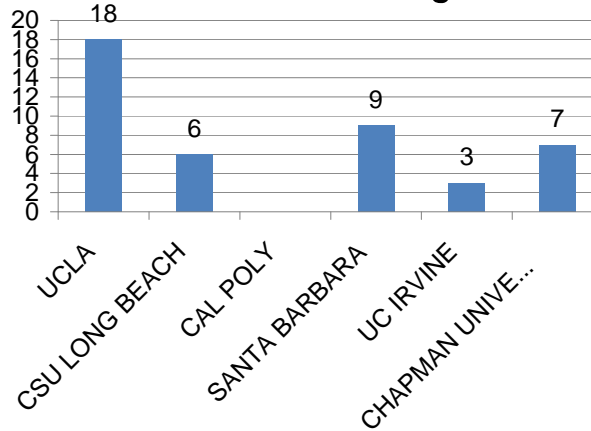

"This tour was a great time and has inspired me to keep studying"

"I liked the workshop on Tolerance after we visited the museum the best because we could express our opinions and nobody would judge us."

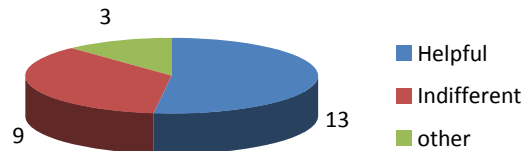

## Workshop Effectiveness

## New Interest After Touring School

"I liked UCLA the best because it was amazing in every aspect. Chapman was my least favorite because it lacked the diversity that I want in a college."

## Helpfulness of the Financial Aid Workshop

"I learned the most from the Financial Aid Workshop because the way it was explained really helped me understand."

**52% of students are interested in attending 2 or more schools that were visited.  
30% of students are interested in attending more than 3 of the schools we toured.**

## Universities Visited:

UC Irvine, Chapman University, UCLA, Cal State Univeristy Long Beach, Cal State University Dominguez Hills, UC Santa Barbara, and Cal Poly SLO
